Acreage WIFI

Federated Broadband recognizes that our local farmers run an essential operations that supports our community and the world. With state-of-the-art technology, Federated Broadband can configure your farm to have internet access, not just in your home, but to any of the buildings on the property keeping you connected in all corners of your operation.

Video Monitoring

If you need eyes on your farm or business at all times, Federated Broadband has you covered with camera monitoring. Ask for pricing.

Event WIFI

Whether it is for seed-plot field days, a wedding, a family reunion or community event, let us help make your event a success by renting our WIFI event trailer! No project is too unusual or challenging for us.

Take your internet to the next level....

About Company

We are a locally-owned cooperative business, operating out of Jackson Minnesota, providing high quality and reliable rural internet service to Jackson, Cottonwood, Nobles, Martin, Murry, & Brown counties in Minnesota. Plus, we serve Osceola, Dickenson & Emmet counties in Iowa.

We are constantly expanding, adding new tower locations & applying for broadband grants to bring fiber internet service to rural residence.
