

Construction Consent Form

Private Underground Facilities and/or Hazards

Before Federated can begin any underground construction (communication cable, fiber or pole installation, removal, repair or relocation), we require the property owner to accurately locate and clearly mark all private facilities and equipment in the proposed construction path. It is your responsibility to mark sprinkler systems, sewer, or water lines, drain tiles, underground electrical wiring, lawn lighting or underground pet fencing, etc. Also, any power lines beyond your meter must be identified.

I agree to locate, mark and clearly identify all private facilities prior to the start of underground construction activities. I understand that failure to locate and mark all facilities could result in damage to those facilities.

I understand that, in the event of damage to facilities that I did not clearly locate and mark, Federated is not responsible, and I agree to hold Federated harmless for any damage to any such facilities.

Underground construction cannot begin until this form is signed and returned to us. You can mail it to: Federated Broadband, PO Box 69, Jackson, MN 56143, or you can email it to info@federatedbroadband.coop. You can also drop it off in the payment drop-off box at Federated Cooperative. This consent remains valid until the homeowner or property owner decides to withdraw their consent or the property changes ownership.

Check all that apply:
Please include service provider where applicable.

Draw a map of your property that includes your home, unattached buildings, and driveway. Include public & private underground utilities.

If you know of any **existing field tile** on your property within the project area, please let us know so we can work to avoid damaging it during construction. You can send details, maps, or any helpful information to digrequest@frea.coop before work begins.

If you are on a waiting list for construction, we will not be able to schedule your construction until we receive this agreement. Please call **507-847-3520, option 2** if you have any questions.

Federated will have all public utilities identified at your location.
